Independent Auditor's Report

Board of Directors Atlas Economic Research Foundation 4084 University Drive, Suite 103 Fairfax, VA. 22030

We have audited the accompanying statements of financial position of the Atlas Economic Research Foundation (Atlas) as of December 31, 2002 and 2001, and the related statements of activities, changes in net assets and cash flows for the years then ended. These financial statements are the responsibility of Atlas's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence and accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Atlas Economic Research Foundation at December 31, 2002 and 2001, and the results of its operations, changes in net assets and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States.

Our audits were conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The schedule of functional expenses for the years ended December 31, 2002 and 2001 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied to the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

NOTES TO THE FINANCIAL STATEMENTS December 31, 2002 and 2001

NOTE 1: ORGANIZATION

The Atlas Economic Research Foundation (Atlas) is a publicly supported, non-profit, educational organization established and incorporated in the State of Delaware in 1981. Its vision is to achieve a society of free and responsible individuals based upon private property rights, limited government under the rule of law and the market order. The mission of Atlas is to discover, develop and support intellectual entrepreneurs worldwide who have the potential to create independent public policy institutes and related programs that advance its vision; and to provide ongoing support as such institutes and programs mature.

Atlas pursues its mission through several different methods, including:

- discovering intellectual entrepreneurs who share its vision
- developing and supporting intellectual entrepreneurs in the establishment and growth of organizations with the potential to advance the Atlas vision
- encouraging such people and such institutes to address policy issues which advance its vision
- supporting the dissemination of institutes' work to current and potential opinion leaders
- encouraging and providing support for institute leaders and staffs to develop their management, leadership and fund-raising skills
- alerting institutes about potential funding opportunities
- informing institutes about the work of their colleagues through networking, publications and conferences
- encouraging institutes to create a working environment that will attract intellectual entrepreneurs and retain talented staff

NOTE 2: SIGNIFICANT ACCOUNTING POLICIES

<u>Contributions</u> - Atlas reports gifts of cash and other assets as restricted support if they are received with donor or time stipulations that limit the use of the donated assets. When the donor or time restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Atlas reports gifts of furniture and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Gifts of long-lived assets with explicit restrictions that specify how the assets are to be used and gifts of cash or other assets that must be used to acquire long-lived assets are reported as restricted support. Absent explicit donor stipulations about how long those long-lived assets must be maintained, Atlas reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

<u>Promises to Give</u> – Contributions are recognized when the donor makes a promise to give to Atlas that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets.
